A photograph of a wooden stool and a ceramic vase against a textured wall. The stool is made of light-colored wood with a thick, rounded seat and four legs. The vase is a simple, rounded, earth-toned ceramic piece. The background is a rough, textured wall in shades of brown and tan. The floor is a light-colored, slightly cracked concrete or stone surface. The lighting is soft, creating gentle shadows.

# STOOLS

*\_With a good dose of originality and comfort.*

When it comes to designing a café or restaurant, seating is a part of the success and at **Francisco Segarra**, we have a wide range of stools, specially designed for the hospitality sector.

High and low, in different materials and colours, with unique finishes and textures... Our stools will bring originality to your space and an extra comfort to your customers.

A wooden cabinet with two doors and two vases on top. The cabinet is made of light-colored wood and has a simple, functional design. The doors are decorated with horizontal and vertical wooden strips. On top of the cabinet, there are two vases: a dark, rounded one and a smaller, light-colored one. The background is a textured, light-colored wall.

# FURNITURE

*\_Storing or displaying tastefully.*

Conditioning a commercial premises or a restaurant establishment also means strengthening the brand image and improve the user experience. For this, furniture becomes great allies of the process. From showcases, display cabinets or shelves to console tables, sideboards, storage furniture and auxiliary furniture.

Think about the space of your dreams and make it a reality with your taste and our exclusive designs.

*\_The power of talent and illusion.*

After more than a decade dedicated to the world of design and decoration, Francisco Segarra has been consolidated as a leading brand in this sector. His experience lies in the creation of spaces as well as the commercialization of furniture for hotels, restaurants and shops, where he is renowned by a unique style and imagination. However, his career does not end here. **Francisco Segarra** will continue the search for excellence with the arrival of his daughter **Inmaculada Segarra** to the company.

Together they have built a great team, ready to take on new challenges and overcome the limits of creativity.
